## **SENATOR ALLARD PAYS TRIBUTE TO SAMMY MAYNES**

WASHINGTON, D.C. – U.S. Senator Wayne Allard (R-Colorado) made the following statement Monday marking the death of Sammy Maynes:

“The people of Colorado have lost a great champion. Frank E. Maynes, better known as Sam to his friends, will always be remembered as the man who fulfilled the promise of Animas-La Plata, and who served as a remarkable ambassador for the people of Western Colorado. I express my deepest sympathy to his many friends and family members during this time of sadness.”

“Just as great rivers transformed our landscape, so too did Sam Maynes carve an indelible mark on Colorado water law. Not a drop of water moves through Southwest Colorado without being touched by Sam's work. His legacy will live on for ages.”
